

In an uncivilized economy . . .

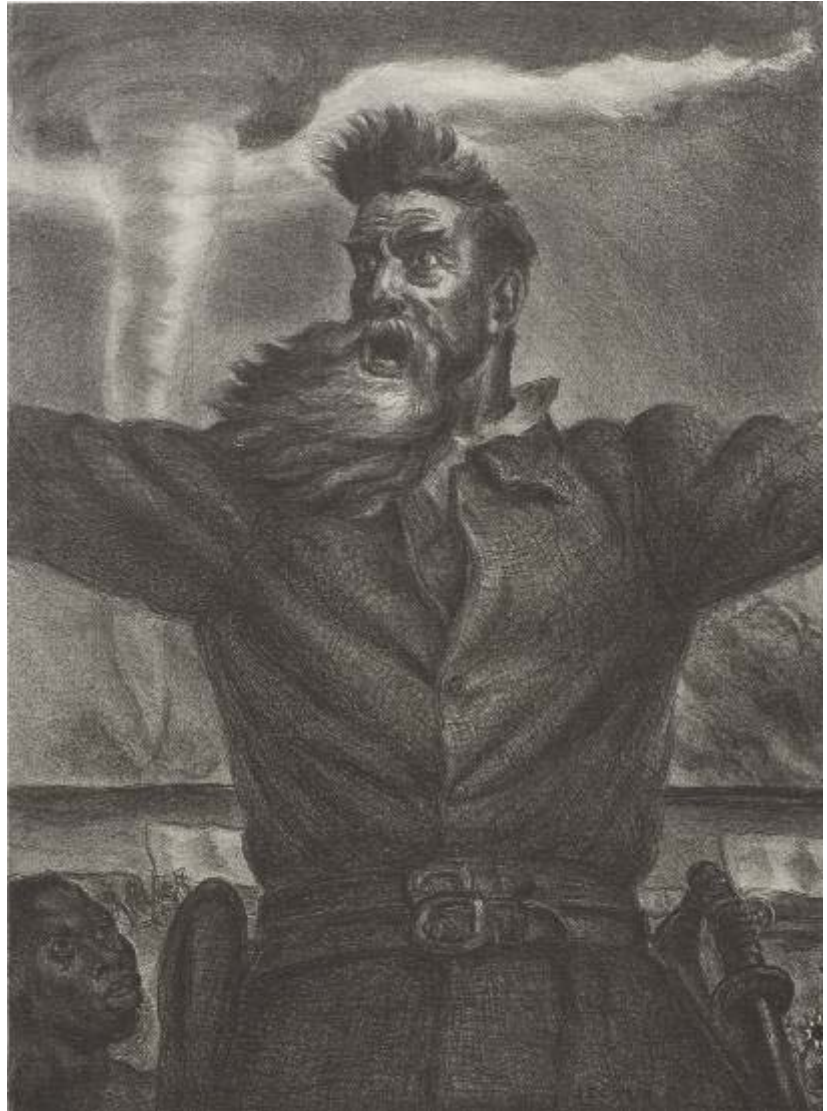

Do something civilized!

Join. Visit. Give. Just three words that keep us viable. Three words that keep us whole.

There is no joy more acute than receiving a \$50,000 check. If that is your plan we do not want to dissuade you—mail that check.

But you don't have to be a modern day Daddy Warbucks to support the MAC. **Join**, it's fun, painless and an exceptional value. **Visit** and bring a friend, if they enjoy their experience ask them to **join**. Here at the MAC we appreciate your commitment and membership, now we need you to share it with a neighbor, friend, co-worker. You can help your Museum by recruiting new members, by **giving** - make a donation today - and **visit** often to see the value we bring to you and the community. Your gift today helps the MAC brighten our community tomorrow.

*Oh yes, the weatherman on the right—that's John Brown, lithograph, 1938, by John Stewart Curry. From the MAC's upcoming **Stories from Within: VTS Lab** April-November 2009*

Act now . . . Join. Visit. Give.
